Summary: Songfic. Words to the end credits score of HTTYD1. Music by John Powell, lyrics by me. If you've ever found yourself humming the music from the end of the movie, read this, and you'll have something to sing! Free plot bunny: Hiccup wrote this song after (SPOILER) at the end of HTTYD, when he realized Berk needed a new theme song. Enjoy!

>A How to Train Your Dragon SongficBy 00AwkwardPenguin00Disclaimer: I own the words to this song, but the music was written by John Powell for the film How to Train Your Dragon, which is owned by Cressida Cowell and DreamWorks Pictures._

**Author's Note: This song is in no way related to the song of similar title from Disney/Pixar's Brave. I sat in my local Wegman's store for close to an hour listening to the music from HTTYD that I wanted for this song and writing out the lyrics in my own hand (with quite a few scribbled out lines). So I don't want to hear it.
**

In order to appreciate this song fully, go to YouTube or Spotify or your own music device and search for the song "Coming Back Around" from the HTTYD1 soundtrack. Skip to 1:08 and play. The lyrics you are about to read were written for that specific section of music. This is my first time writing song lyrics, so I hope you like it. Enjoy!

><p>Race the Winds and Bite the Sky (Berkian Anthem)

Come with me my friends
>And we will race the winds
And bite the sky!

Come with me to the skies
>With your wings we will fly
With your flames and my sword

>We'll change th' world forevermore!<p>

I fear no wind or sky
>I fear no beast alive
With my dragon by my side
>We will race the winds
And bite the sky
>Race the winds
And bite the sky!

Come with me my friends
>And we will race the winds
And bite the sky!

><p>AN #2: The line "bite the sky" comes from an absolutely wonderful fic by Fjord Mustang called "To Soar into the Sunset: A Night Fury's Odd Memoir". Read it. It's amazing. I feel like I should have asked him or her for permission before using that line, but you know what they say. **
